

Please don't allow K-Love to be displaced by an LPFM broadcaster providing other programming. K-Love is a part of my daily life, and the only station I will play when my grandson in the car. Please do not allow this to happen. Without K-Love many parents and grandparents or even people who just want to listen to something nice on the radio will be very disappointed. There is so much that is not fit to listen to on the radio and K-Love is a safe place.
